Board Meeting Minutes

June 14th, 2023 @ 5pm – School Cafeteria

2902 S. Jenkins Road Fort Pierce, FL

Meeting called to order at 5:00 by board chairman Clay Becton. In attendance were EA Kacey Predix, Consultant Marcia Cully, Mr. & Mrs. Brewster (parents) were also present. Approval of the April meeting minutes were approved unanimously on a MTS by LP and a 2nd by AC.

Academic consultant, Mrs. Cully addressed the board regarding her findings (report outline attached to minutes) on the academic standing of personnel and curriculum, offering her findings and recommendations to the board in preparation of the 23/24 school year. She recommended the board keep Mrs. Howard in charge of academics for the upcoming year instead of rushing the principalship process, training and finding the right successor for an academic lead and utilizing referendum funding to incorporate bonuses to staff for picking up the administrative gaps so Director Howard can focus on continuity and fidelity to the Classical mission and vision. On a motion by CT and a 2nd by AC, the board unanimously agreed to move director Howard to remain in control of both the operational, administrative, and academic future of the school overseeing all major projects and compliance to the charter throughout 23/24, with Mrs. Cully continuing on in a consultative role, and assisting the future leadership for mentoring.

Mrs. Howard provided the board with an update on expansion, accreditation (holding pattern), enrollment (full capacity, officially waitlisted/lottery only school), and charter renewal timeline. Discussion/update only, no action needed.

Old Business: Mrs. Howard presented a second reading of the by-law revisions to the board, who adopted all statutorily required changes as presented (redlined by attorney SA) and discussed the voting/membership portion of the bylaws. Discussion on paycheck hold for exiting employees until all school items are returned (computer, keys. Etc..) was held and the handbook, as edited by attorney SA, was unanimously approved after a MTA by AC and a 2nd by LP.

The need for a facilities committee was discussed to make decisions on behalf of the board between meetings to oversee project management. After discussion on potential stakeholders, the following individuals were chosen to serve on the committee by the board: Joshua Sugg (parent/contractor), Curtis Chancey (parent/county maintenance), Jason Revels (parent/contractor), Chris Bowen (parent/contractor), and Sandy Howard (EDO)-MTA facilities committee by CT, 2nd by CF AIF 4-0. The board was presented with the draft reimbursement resolution for the bond on expansion and campus purchase, which will allow for reimbursable expenditures during pre-construction like due diligence and site work to be reimbursed with bond funding. SRD contract was presented to the board as an issue moving into 23/24 due to terms and ICA being carved out of the SRD contract with the public schools along with one other school (Somerset Bethany). Director Howard was directed to attempt negotiations and get a resolution to keep our SRD, or move forward with the Guardian program, as she has already been searching for a certified officer. On a motion by CT and a 2nd by LP, the board voted unanimously to approve the reimbursement resolution as presented, directing the EDO to negotiate the SRD contract, and to approve the following expenditures as discussed prioritizing capital improvement, tuition reimbursement, and bonuses for teachers for use of referendum dollars. ICA anticipates roughly \$320,000 in funding. \$160k being paid in July to be allocated towards playground down payment (\$30k), courtyard remodel (\$80k), bathroom renovations (\$15k), FF&E for library for literacy (\$30k), Landscaping FF&E (\$20k). The remaining \$160k will be allocated towards bonuses (recruitment & retention) for high-performing faculty and staff, and the establishment of a tuition reimbursement program (\$100k), and campus safety & security (\$45k). The allocations will be spread out as funding comes in, per the EDO and the board will be updated as they occur.
