Optional Parent Comments:

PLEASE NOTE: This letter of intent is designed to build a list of families and potential applicants per grade level, this form is vital to our planning process, so we can ensure we have the right hiring in place for the growth each year.

According to Florida Statute, if we have more applications than we do available seats, we will conduct a lottery to fill available seats, and a wait list will be built from there. Preferences are included in our charter and will be available on our website prior to application period. This is a public, tuition-free charter school in Fort Pierce, offering a classical education model curriculum.

Open Enrollment will begin January 1st and close January 31st each year. Lottery will be conducted on February 1st of each year. If you have a friend, family member, neighbor, co-worker, or others who will benefit from a small, tuition-free, didactic learning environment, please refer them to our website to learn more at www.icacharter.org where they can also apply directly.
